

1 UNITED STATES DISTRICT COURT  
2 DISTRICT OF NEVADA

3 RAHIM MUHAMMAD,

Case No. 3:22-cv-00142-RCJ-CLB

4 Petitioner,

**ORDER**

5 v.

6 TIM GARRETT, et al.,

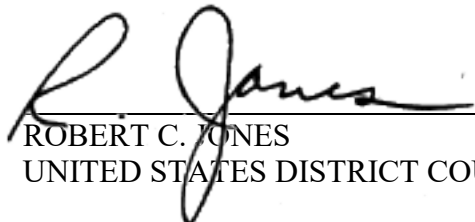

7 Respondents.

8 This *pro se* habeas petition comes before the Court on petitioner's "addendum" (ECF No.  
9 21). In the addendum, petitioner explains that he was moved to Northern Nevada Correctional  
10 Center ("NNCC") on May 20, 2022, and he was placed in administrative segregation. (*Id.* at 1.)  
11 Petitioner was informed that this move was made based on his "ongoing litigation and other  
12 pertinent issues." (*Id.*) As a result, some of his documents have been confiscated and his property  
13 withheld, and Plaintiff is suffering psychologically, emotionally, and mentally from being in  
14 solitary confinement. (*Id.* at 1–2.) Petitioner requests that this Court take injunctive action to  
15 protect his "Constitutional, Civil, and Humanitarian Rights" from the retaliation he is facing. (*Id.*  
16 at 2.)

17 These issues are not properly brought in a 28 U.S.C. § 2254 action for a writ of habeas  
18 corpus; rather, it appears that these issues lie in a civil-rights action under 42 U.S.C. § 1983.

19 It is therefore ordered that this Court will take no action in this matter on petitioner's  
20 addendum (ECF No. 21).

21 Dated: July 21, 2022
